

Hello,

I hope everyone is having a successful year showing so far.

Just to let you know, I went to the 4-H Horsemanship School in Williamston and helped out with the showmanship clinic. I received a good bit of positive feedback from the participants and I am hoping some of them will come to a Quarter Horse show at some point in the future.

As for an update on AQHYA, all of the money raised from the bracelets and other donations will be given to Special Equestrians within the next month. I would like to thank all of the people who made donations for their generosity and I know Special Equestrians will be appreciative as well.

Just as a quick reminder, don't forget about selling your sponsorships and truck tickets. The deadline for those will be here before you know it.

Thanks,
